Employment:

Carvana, LLC

2021-Present

Tempe, AZ

Responsibility: I am on the Titles and Registration Team of the Company, it is my duty to handle all the paperwork of our customers after they have purchased their car and finished their "7-Day Money Back Guarantee". I have done this through Regular Submission, California Dealertrack, Assigning TOPs, VITU Submissions, and now currently as part of the Risky Backlog Group 4 Team.

The Walt Disney Company (The Disneyland Resort)

2018-2020

Anaheim, California (PhotoPass)

Responsibility: I transferred to the Disney Photo Imaging Department and was responsible for taking and selling the various Photography products to the guests each day. I took pictures in front of many different Disney Icons and with many different characters. I was also part of the opening team for Star Wars Galaxy's Edge.

The Walt Disney Company (The Disneyland Resort)

2016-2018

Anaheim, California (Resort Transportation and Parking)

Responsibility: I was a member of the Resort Transportation and Parking Department where I would do many different activities. From helping people park in many of the Resort Parking Lots to driving the Trams and Shuttles to deliver guests safely to the front gates of Disneyland and California Adventure to receiving many forms of payments to be welcomed into the Parking Areas.

Die Cuts With a View (DCWV INC.)

2012-2016

Provo, Utah (Inventory, Quality Control)

Responsibility: I helped receive products from trucks and put them away in the warehouse by machine vehicles or other means. For a period of time, I compared products with the information in our system to make sure everything adequately matched.
